Please be advised that due to construction on and around campus, satellite parking is available and a shuttle service is being provided between the satellite parking lot and the campus.

You have the option of unloading at the Coppin Center (off N. Warwick Ave) before proceeding to the satellite parking lot.

Satellite parking is located at Walters Relocations, Inc., 2001 Elgin Avenue, Baltimore, MD 21217 (the intersection of Elgin Avenue and N Payson Street).

Directions to Satellite Parking from Coppin State University. (Trip distance is 0.64 miles and travel time is 3 minutes).

1. Take North Ave east toward N. Warwick Ave.
2. Turn Left on N. Warwick Ave. and travel one block.
3. Turn Right on Windsor Ave.
4. Continue on Windsor Ave and turn left on N. Pulaski Street.
5. Turn right onto Elgin Avenue and make an immediate right into the parking lot. Go up the ramp and park on the upper deck.

- A shuttle service to Coppin State University will be available. The shuttle van will drop you off at the Coppin Center.
- You should return to the drop off location to board the van to return to your car in Satellite Parking.
